FAQ
Frequently Asked Question

Can I terminate my investment before maturity?

Yes. You may liquidate your investment after 3 months. However, early termination may affect your expected returns.
A 17% administrative charge will apply after 21 days of a formal termination request. This period allows the cooperative to transfer the investment to another member.

Can I reinvest my capital and dividends at maturity?

Yes, you can reinvest your capital and dividends upon maturity. Our team will contact you at least 2 weeks before your maturity date. You may also contact us directly via phone or email.

What Documents Will I Receive After Investing?

1. Deed of Agreement
This document contains:

- Investment details
- Property information
- Date of purchase
- Property allocation equivalent to the invested amount.

2. Receipt
This serves as proof of payment.

3. Post-Dated Cheque:
Investors may request a post-dated cheque ahead of their proceeds payment. Presenting the cheque at the bank on the due date grants access to the funds.

Note:

Requests for post-dated cheques are optional and must be made in writing at the point of investment. A referral representative may also make the request on behalf of the Member.

Important Notice

All dividend payments are subject to a 10% withholding tax in accordance with applicable regulations.
